## About Seminar:

International Council for Education, Research and Training (ICERT) in collaboration with Debre Tabor University Ethiopia, Axion Dark Insights Research & Analytics, Ethiopia, are organizing One Day International Seminar on UN/ UNESCO World Teacher Day on Oct 05, 2023 on “Global Dynamics in Teacher Education”.

World teachers’ day provides an opportunity to consider issues related to teachers & teaching, it advocates for educators around the globe to seek ways the fixing these issues. On this day celebrate and respect the determined & diligent efforts of educators in the crucial stages of adversities like the pandemic.

The seminar will provide the ideal opportunity to meet academics, practitioners, and experts in education research, leadership, health, social sciences, humanities, management, science, art, culture, and public policy, to share their experience and projects to receive quality feedback.

Professional, academicians, scholars, researchers, practitioners, and Ph.D./graduate students are invited to submit their abstracts to be considered for presentation at the seminar. Speakers and presenters will share new concepts, best practices, knowledge, experience, theories, and solutions, with a focus on promoting learning, professional development, education, and inspiration among professionals and academics in teacher education.

The theme of the seminar focuses on (but is not limited to) all areas of theoretical and empirical research in the following fields:
