

International Seminar Feb 11, 2023

**International Council for Education, Research and Training
(ICERT)**
is organizing an International Seminar on the occasion of
UN and UNESCO International Day of Women and Girls in Science

Bringing Everyone Forward for Sustainable and Equitable Development

This year, the International Day of Women and Girls in Science (IDWGIS) will focus on the role of Women and Girls and Science as relates to the Sustainable Development Goals. This Day is an opportunity to promote full and equal access to and participation in science for women and girls. Gender equality is a global priority for UNESCO, and the support of young girls, their education and their full ability to make their ideas heard are levers for development and peace.
